This edition of Anne Frank's diary contains diary entries previously highlighted by Anne's father, Otto Frank. These passages make up just over thirty percent of the book and emphasize that Anne was first and foremost a teenage girl and a human being - not a symbol.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Anne Franks dagbok är ett av de viktigaste dokumenten från Förintelsen.??I denna utgåva av

Anne Franks dagbok återfinns dagboksanteckningar som tidigare lyfts ut av Annes far, Otto Frank. Dessa textställen utgör drygt trettio procent av boken och understryker att Anne först och främst var en tonårsflicka och en människa - inte en symbol.??Anne Frank föddes den 12 juni 1929. Sommaren 1942 gick hon och hennes familj under jorden, på flykt undan nazisterna. Anne var då tretton år och i dagboken får vi följa hennes utveckling till ung kvinna och skarpögd iakttagare av den mänskliga naturen. I augusti 1944 avslöjades gömstället. Anne Frank dog i Bergen-Belsen tre månader före sin sextonårsdag.

Abridged version of a Jewish girl's record of how her family hid from Nazi occupiers in World War II Holland.

Hiding from the Nazis in the "Secret Annexe" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book completes the portrait of this remarkable and talented young author. Tales from the Secret Annex is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. Anne Frank's Tales from the Secret Annex is a testament to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit.

13 år gammel begynte Anne Frank å skrive denne dagboka. I tid strekker den seg fra 14. juni 1942 til 1. august 1944. Den forteller om hennes opplevelse av de to årene hun og hennes nærmeste levde i dekning for nazistene under den 2. verdenskrig. Boka gir et bilde av en tenåring, hennes tanker og følelser, drømmer og lengsler, og forventninger til fremtiden. Denne oversettelsen inkluderer partier som har vært utelatt i tidligere utgaver av Anne Franks dagbok.

Dagboka som den unge, jødiske jenta skrev gjennom de to årene hun og familien levde i skjul for tyskerne, har stadig aktualitet. Den forteller om krig og jødeforfølgelse, men like mye om en ung jentes drømmer, om hennes forhold til resten av familien, om forelskelse og, ikke minst, om det å utvikle seg fra barn til voksen. Denne utgaven er en grafisk versjon med fargerike illustrasjoner av den kjente historien om Anne Frank som satt i skjul under andre verdenskrig. Grafisk roman for ungdomstrinnet. Omtalen er utarbeidet av BS.

Bli kjent med den modige jødiske jenta som skrev dagbok om familiens skjebne under andre verdenskrig. Anne ble født inn i en kjærlig familie i Tyskland. Men da andre verdenskrig brøt ut, måtte Anne og familien hennes gjemme seg i Amsterdam. Her skrev hun sin berømte dagbok som ble utgitt da krigen var over. Annes dagbok fanget lesernes hjerter, og hun ble en av de viktigste dagbokskriverne i det 20. århundre. Historien om livet hennes har også en faktadel med bilder til slutt.

A timeless story rediscovered by each new generation, The Diary of a Young Girl stands without peer. For both young readers and adults it continues to capture the remarkable spirit of Anne Frank, who for a time survived the worst horror the modern world has seen—and who remained triumphantly and heartbreakingly human throughout her ordeal. Adapted by Ari Folman, illustrated by David Polonsky, and authorized by the Anne Frank Foundation in Basel, this is the first graphic edition of The Diary and includes extensive quotation directly from the definitive edition. It remains faithful to the original, while the stunning illustrations interpret and add layers of visual meaning and immediacy to this classic work of Holocaust literature.
