Access Free Assessment In Speech Language

Speech-language assessment is a complex process. Assessing, describing, and interpreting an individual's communication ability requires the integration of a variety of information gathered in the evaluation process. ASHA's Preferred Practice Patterns for the Professions of Speech-Language Pathology (2004) indicates that comprehensive speech-language pathology assessment includes these components:

Assessment and Evaluation of
Speech-Language Disorders in ...
Speech and language assessment
should measure language
production, language
