Biba brought the cutting-edge of couture to the masses. Brigitte Bardot, Yoko Ono and Princess Anne shopped there, whilst Sonny and Cher, Mick and Marianne, and David and Angie were regular visitors, but the store was never the exclusive preserve of the rich and famous: prices were kept deliberately low, and anyone who could tolerate the disdainful inefficiency of the staff was encouraged to soak up the glamour of a unique shopping experience.

The Biba Experience is a history of her vision from small and intimate boutique in Abingdon Road to a large 1930s department store in the old Derry & Toms Building in Kensington High Street. She lovingly renovated and restored this grand department store in a sympathetic manner while retaining and expanding on its original Art Deco features, it was called Big Biba.

Showcases not just Biba clothing, but also all the Biba memorabilia and merchandising, presenting an entire history of the company. Over 150 newly commissioned photographs of '60s and '70s costumes are included.

Sewing Activewear: How to make your own professional-looking athletic wear takes you through all the fundamentals and then move you to the next level. So that you will be fully equipped and empowered to create your own workout wardrobe-that is both functional and stylish.

A revealing look at the fashion revolution of the 1960s and '70s through the groundbreaking, hip, and now-legendary London emporium Biba, this book looks at “the most beautiful store in the world.” Biba, founded in 1963 by designer Barbara Hulanicki, quickly gained cult status and outgrew several locations before the five-story “Big Biba” opened in 1973. More than a store, it was a haven of cool for artists, movie stars, and rock musicians. This book tells the story of the Biba decade, and how the label revolutionized retail and fashion culture. With a wealth of previously unpublished material, including full-color facsimiles of the six luxurious Biba catalogs and archival photographs, The Biba Decade looks at the first retailer to bring affordable fashion to young consumers. Stunning new photography documents the unique Biba look, and the designer and her contemporaries offer their personal insights.

Evokes the glamour, humour and fantasy of the store, the audacious style that could turn a shop girl into a Hollywood star.

The best-selling author of Trattoria Cooking and From Biba's Italian Kitchen introduces some of her favorite dishes from the great cities of Italy, with recipes for Rome's Veal Scallopine with Prosciutto, Sage, and Wine; Florence's T-Bone alla Fiorentina and Ribollita soup; and Shellfish stew from Venice.

Tells the story of the people who provided the soundtrack a momentous time in music history and includes images of the biggest names in rock history - from the Beatles, Rolling Stones and Bob Dylan to Jimi Hendrix, Pink Floyd and David Bowie.

The Daleks are one of the most iconic and fearsome creations in television history. Since their first appearance in 1963, they have simultaneously fascinated and terrified generations of children, their instant success ensuring, and sometimes eclipsing, that of Doctor Who. They sprang from the imagination of

Terry Nation, a failed stand-up comic who became one of the most prolific writers for television that Britain ever produced. *Survivors*, his vision of a post-apocalyptic England, so haunted audiences in the Seventies that the BBC revived it over thirty years on, and *Blake's 7*, constantly rumored for return, endures as a cult sci-fi classic. But it is for his genocidal pepperpots that Nation is most often remembered, and on the 50th anniversary of their creation they continue to top the Saturday-night ratings. Yet while the Daleks brought him notoriety and riches, Nation played a much wider role in British broadcasting's golden age. He wrote for Spike Milligan, Frankie Howerd and an increasingly troubled Tony Hancock, and as one of the key figures behind the adventure series of the Sixties – including *The Avengers*, *The Saint* and *The Persuaders!* – he turned the pulp classics of his boyhood into a major British export. In *The Man Who Invented the Daleks*, acclaimed cultural historian Alwyn W. Turner, explores the curious and contested origins of Doctor Who's greatest villains, and sheds light on a strange world of ambitious young writers, producers and performers without whom British culture today would look very different.

When Margaret Thatcher became prime minister in 1979 she promised to bring harmony where once there had been discord. But Britain entered the 1980s bitterly divided over its future. At stake were the souls of the great population boom of the 1960s. Would they buy into the free-market, patriotic agenda of Thatcherism? Or the anti-racist, anti-sexist liberalism of the new left? From the miners' strike, the Falklands War and the spectre of AIDS, to Yes, Minister, championship snooker and Boy George, *Rejoice! Rejoice!* steps back in time to relive the decade when the Iron Lady sought to remake Britain. What it discovers is a thoroughly foreign country.

"There has not been one single day since I have left Bologna in 1960 that I have not yearned for and lusted after the food of Emilia-Romagna. That food is part of my heritage and culture. After twenty-five years of cooking professionally, I can truly say that the food of my region has been a constant source of inspiration in all I have done." Join author, cooking show host, and restaurateur Biba Caggiano on her journey back to her beloved region in *Biba's Taste of Italy*. Located in one of Italy's most prosperous northern regions, Emilia-Romagna has given the world a cuisine that is as luscious as it is refined: succulent seafood dishes from the Adriatic waters; hearty, long-simmered ragùs; and rich pasta shaped into tortellini, anolini, and lasagna. With Biba, discover the place that's home to so much of what we've come to love in Italian food: prosciutto di Parma, Modena's aged balsamic vinegar, mortadella, and perhaps the world's greatest cheese, Parmigiano-Reggiano. Featuring more than 250 recipes, from antipasti to desserts, Biba introduces the vibrant food of her childhood: homestyle dishes and authentic recipes from humble trattorie and family-run restaurants. You'll learn how to make Tagliatelle with Bolognese Ragù; Eggplant Parmigiano that combines the salty-sweet flavors of Parma ham and Bolognese sausage; earthy, bread-thickened soups; Potato and Ricotta Gnocchi; and irresistible seafood risotto. Of course, the symbol Emilia-Romagna cooking -- stuffed pasta -- is here in all its glory with recipes for Ricotta and Goat Cheese Tortellini, Butternut Squash Tortellini, and Anolini in Broth, and so many more. From the region's coastal towns and villages, Biba shares the simply prepared seafood dishes of the local trattorie -- Clams with Garlic and Chile Pepper and Baked Halibut with Potatoes, plus the simple tastes of grilling shellfish with olive oil, lemon juice, and herbs. In the same rustic spirit, you will also find Roasted Stuffed Breast of Veal, Braised Veal Shanks, and succulent Breaded Lamb Chops. Biba's frequent family visits to Bologna evoke childhood memories of growing up in this food-lover's paradise, and reaffirms that the kitchen remains the heart and soul of Italian homes. *Biba's Taste of Italy* is more than a collection of recipes. It is also a travel guide with all the names and addresses of her favorite trattorie and restaurants where her favorite dishes can be found. Join Biba as she returns to Emilia-Romagna in *Biba's Taste of Italy*. It's a trip you will take again and again in your own kitchen.

## Read Book Biba The Biba Experience

This book investigates how Europe should position itself in an era of growing Chinese-American rivalry. The volume explores the contemporary relationship and ongoing dynamics between three of the most powerful players in today's international relations - the USA, China and Europe. It claims that the intensifying antagonism between Washington and Beijing requires a paradigm shift in European strategic thinking, and takes a trilateral perspective in analysing key issue areas, such as trade, technology, investment, climate change, the BRI, sub-national contacts, maritime security and nuclear non-proliferation. Using this analysis, the work seeks to offer original policy recommendations that respond to a number of dilemmas Europe can no longer avoid, including the trade-off between European interests and values in a harsher global environment, the question of whether Europe should align with one of the two superpowers, Europe's military dependence on a US pivoting to the Asia-Pacific, and possible trade-offs between global and regional governance efforts. The key finding is that Europe must follow a much more pragmatic and independent approach to its foreign and security affairs. This book will be of much interest to students of EU policy, foreign policy, Chinese politics, US politics and IR in general.
