The bride price may range from nothing if the woman is divorced, has a child fathered by another man, or is widely known to have had premarital relations with men to tens of millions of Thai baht (US\$300,000 or ~9,567,757 THB) for a woman of high social standing, a beauty queen, or a highly educated woman. The bride price in Thailand is paid at the engagement ceremony, and consists of ...

Bride price - Wikipedia

Bride-price is not a payment for women, but rather is seen as a way of valuing the labor of women, the effort involved by the bride's family in raising the female, and the labor value of a woman's offspring. The payment is a way of securing the rights of the husband's group over the woman's children. Although women are valued in such societies, their status relative to men's is lower because ...

Collect back her bride price if she abuses you | - Adaeze ...

A bride price is not the same thing as a dowry; a dowry is given to the family of a groom by the family of the bride, and a dower is a gift from a groom to a bride, traditionally offered on the wedding day or shortly thereafter. A sum of money given to the family of a bride in some cultures is called a bride price. The tradition of a bride price might seem archaic to some people, while others ...
