This title covers all three mandatory units and a selection of optional units, with each presented in topics to ensure the content is accessible and engaging for learners. It covers all the underpinning knowledge and understanding needed at level 2 to ensure that learners are fully prepared for this course.

\* This Revision Workbook delivers hassle-free question practice, covering one topic per page and avoiding lengthy set up time. \* Build your confidence with guided practice questions, before moving onto unguided questions and practice tests. \* With one-to-one page correspondence between the Workbook and the Revision Guide, this hugely popular Revision series offers the best value available for BTEC learners. \* Covers both externally assessed Units for 2012 BTEC First in Information and Creative Technology (Units 1 and 2).

BTEC First ICT Practitioners is a key new course book for the 2006 BTEC First ICT Practitioner schemes from Edexcel. Full coverage is given to the core units of the Certificate and Diploma (units 1 and 2) and to selected specialist units: \* Using ICT to Present Information (Unit 1) \* Introduction to Computer Systems (Unit 2) \* Website Development (Unit 4) \* Networking Essentials (Unit 6) \* Database Software (Unit 9) \* Spreadsheet Software (Unit 10) \* ICT Graphics (Unit 18) Each chapter in the textbook corresponds to one of these units of the syllabus. Students of BTEC First ICT programmes will find this text essential reading for the duration of their study - all the core material they will be following throughout their course is included in this book. Each chapter includes numerous illustrations, learning outcome summaries, definitions, learner activities, test your knowledge quiz questions and exercises. The result is a clear, straightforward and easily accessible text, which encourages independent study and acts as a reference to various topics within the qualification. The choice of specialist units reflects the breadth of Information and Communication Technology, rather than focusing on specific computing areas such as hardware and programming, and puts the emphasis on practical rather than academic units. It provides students with an excellent portfolio of knowledge and skills that will enable them to progress onto higher qualifications, such as the BTEC National, AS and A2, or to suitable employment within the ICT sector. Sharon Yull is a Senior Lecturer at City College Norwich and a Senior Subject Examiner for Higher Nationals in Computing for Edexcel. Sharon also runs the Training and Education Company, an IT and education consultancy, and has written books for other BTEC IT qualifications. \* Chapter by chapter coverage of the compulsory core units and selected specialist units of the 2006 BTEC Firsts in ICT for Practitioners \* The specialist units have been chosen with a view to develop practical skills and to reflect the breadth of ICT \* Student-friendly text with numerous illustrations, definitions, activities, quiz questions, and exercises

The student book focuses on developing the skills behind the established 'pre-production, production, post-production, reviewing' process that underpins creative media production. It helps learners achieve their potential, provides assessment activities, and grading tips for pass, merit and distinction.

This volume provides complete coverage of the BTEC First Early Years qualification. It covers the core and optional units, so readers can be confident that it contains all the knowledge required to successfully complete the course. Each chapter covers a complete unit of the qualification, providing comprehensive coverage of the new specifications. Case studies with linked questions and activities allow students to apply theory to everyday early years practice and explore what they have learnt.

Covering the mandatory units and nine of the popular optional units for the Nursery Nurse pathway, this book is suitable for practitioners working in a variety of childcare settings. It provides coverage of underpinning knowledge for the NVQ, including material to cover children's development for the 8-16 age range.

These resources fully cover the BTEC First Early Years qualification, providing students with the correct depth of information to succeed in the diploma. The book provides complete coverage of the three core and five specialist units. The Tutor's Resource File includes advice on completion of the IVA, work experience diary sheets and lesson plans.

BTEC First Business is designed to specifically meet the requirements of the Edexcel qualification by offering students and centres coverage of the core units and specialist units. Packed with well-structured activities and case studies, this book enables students to apply theoretical principles to real-life business situations.
