Joe is a business unit leader faced with the ultimate challenge of change as his company enters a merger. The global culture and gaps in Joe's leadership style threaten the health of the organization and possibly the success of the merger. Will Joe and his team be able to embrace the behaviors necessary to survive the merger and achieve their goals? How will shifts in the overall culture have an impact on Joe's effectiveness as a leader? Paige Whitmire's parable describes common b

"Microbiology covers the scope and sequence requirements for a single-semester microbiology course for non-majors. The book presents the core concepts of microbiology with a focus on applications for careers in allied health. The pedagogical features of the text make the material interesting and accessible while maintaining the career-application focus and scientific rigor inherent in the subject matter. Microbiology's art program enhances students' understanding of concepts through clear and effective illustrations, diagrams, and photographs. Microbiology is produced through a collaborative publishing agreement between OpenStax and the American Society for Microbiology Press. The book aligns with the curriculum guidelines of the American Society for Microbiology."--BC Campus website.
