Resistance cannot be seen, touched, heard, or smelled. But it can be felt. We experience it as an energy field radiating from a work-in-potential. It's a repelling force. It's negative. Its aim is to shove us away, distract us, prevent us from doing our work. ~~Steven Pressfield, Do the Work~~

Do the Work by Steven Pressfield, a Book Summary

Whereas The War of Art deals with the real enemy of work and creativity (i.e. Resistance), Do The Work by Steven Pressfield takes you through a step-by-step blueprint for how to defeat that Resistance and actually accomplish the work. The book has a very simple structure.

Summary & Review: Do The Work by Steven Pressfield

Steven Pressfield: Do the Work is structured to take the reader from A to Z. If the reader has a project they want to start or complete, such as a new business they want to open or a book they want to write, Do the Work is designed to take them from starting to shipping to hitting all the predictable resistance points along the way.

"This book is designed to coach you through a project (a book, a ballet, a new business venture, a philanthropic enterprise) from conception to finished product, seeing it from the point of view of Resistance."--Page [1].

Part of the Domino Project, powered by Amazon.

The follow-up to his bestseller The War of Art, Turning Pro navigates the passage from the amateur life to a professional practice. "You don't need to take a course or buy a product. All you have to do is change your mind." --Steven Pressfield TURNING PRO IS FREE, BUT IT'S NOT EASY. When we turn pro, we give up a life that we may have become extremely comfortable with. We give up a self that we have come to identify with and to call our own. TURNING PRO IS FREE, BUT IT DEMANDS SACRIFICE. The passage from amateur to professional is often achieved via an interior odyssey whose trials are survived only at great cost, emotionally, psychologically and spiritually. We pass through a membrane when we turn pro. It's messy and it's scary. We tread in blood when we turn pro. WHAT WE GET WHEN WE TURN PRO. What we get when we turn pro is we find our power. We find our will and our voice and we find our self-respect. We become who we always were but had, until then, been afraid to embrace and live out.

What keeps so many of us from doing what we long to do? Why is there a naysayer within? How can we avoid the roadblocks of any creative endeavor?be it starting up a dream business venture, writing a novel, or painting a masterpiece? The War of Art identifies the enemy that every one of us must face, outlines a battle plan to conquer this internal foe, then pinpoints just how to achieve the greatest success. The War of Art emphasizes the resolve needed to recognize and overcome the obstacles of ambition and then effectively shows how to reach the highest level of creative discipline. Think of it as tough love . . . for yourself.

There's a mantra that real writers know but wannabe writers don't. And the secret phrase is this: NOBODY WANTS TO READ YOUR SH*T. Recognizing this painful truth is the first step in the writer's transformation from amateur to professional. From Chapter Four: When you understand that nobody wants to read your shit, you develop empathy. You acquire the skill that is indispensable to all artists and entrepreneurs—the ability to switch back and forth in your imagination from your own point of view as writer/painter/seller to the point of view of your reader/gallery-goer/customer. You learn to ask yourself with every sentence and every phrase: Is this interesting? Is it fun or challenging or inventive? Am I giving the reader enough? Is she bored? Is she following where I want to lead her?

In a near-future world in which governments and corporations are forced to hire cutting-edge mercenary armies to protect their wealth, the globe's largest private military launches a campaign to take over the United States, prompting a top commander to rebel against the organization's leader. By the author of The Legend of Bagger Vance. 70,000 first printing.

From the acclaimed master of historical fiction comes an epic saga about a reluctant hero, the Roman Empire, and the rise of a new faith. Jerusalem and the Sinai desert, first century AD. In the turbulent aftermath of the crucifixion of Jesus, officers of the Roman Empire acquire intelligence of a pilgrim bearing an incendiary letter from a religious fanatic to insurrectionists in Corinth. The content of this letter could bring down the empire. The Romans hire a former legionary, the solitary man-at-arms, Telamon of Arcadia, to intercept the letter and capture its courier. Telamon operates by a dark code all his own, with no room for noble causes or lofty beliefs. But once he overtakes the courier, something happens that neither he nor the empire could have predicted. In his first novel of the ancient world in thirteen years, the best-selling author of Gates of Fire and Tides of War returns with a gripping saga of conquest and rebellion, bloodshed and faith.

Based on the New York Times bestseller Unfu*k Yourself comes an all new book of prompts, questions, and exercises, giving you the tools to intentionally commit to finally unfu*king your life. In Unfu*k Yourself, Gary John Bishop inspired people to put his words into action to transform their fu*king lives. Through seven paradigm shifting assertions such as: I am wired to win, I embrace the uncertainty and I expect nothing and accept everything, Bishop helped millions of readers to move past their self-imposed limitations. Still, Bishop knows it's hard to go from reading the book, feeling inspired, and then actually doing the necessary work. That's where Do the Work comes in: it's the kick in the ass you need to get moving and create the life you want. The workbook drills down into three categories - self, people, and purpose - to help you identify and remedy the challenges that frustrate and often cripple us. Filled with entirely new material, including personalized prompts and exercises with ample lined space to journal and process, Do the Work expands the lessons in Unfu*k Yourself, giving you the tools to intentionally commit to taking on your life. This is a personal workshop for your brain, a legit resource where you can work your life out, what matters to you, what's going to make the biggest difference and empower you to act in ways that make some palpable change to the direction your life is currently taking. The truth will set you free, right? So what are you waiting for?
