The Blackwell Encyclopedia of Sociology | Major Reference ...

SOCIOLOGY OF EDUCATIONIn the broadest perspective, education refers to all efforts to impart knowledge and shape values; hence, it has essentially the same meaning as socialization. However, when sociologists speak of education, they generally use a more specific meaning: the deliberate process, outside the family, by which societies transmit knowledge, values, and norms to prepare young ...

Higher School of Economics

Higher School of Economics

Sociology, a social science that studies human societies, their interactions, and the processes that preserve and change them. It does this by examining the dynamics of constituent parts of societies such as institutions, communities, populations, and gender, racial, or age groups. Sociology also studies social status or stratification, social movements, and social change, as well as societal disorder in the form of crime, deviance, and revolution.

The SAGE Encyclopedia of Higher Education | SAGE ...

Educational Sociology. L.J. Saha, in International Encyclopedia of the Social & Behavioral Sciences, 2001. Educational sociology is the study of the social factors that influence and are influenced by all educational structures and processes, both within and between societies. As a distinct subarea within the two disciplines of sociology and education, educational sociology is also known as the sociology of education or the social foundations of education.

Educational Sociology - an overview | ScienceDirect Topics

Centre for Educational Sociology, The University of Edinburgh. Biographical details. David Raffe was Professor of Sociology of Education and a member of the Centre for Educational Sociology, which he directed from 1987 to 2001 (jointly with Andrew McPherson from 1987-1994) and from 2010-2014, when he retired, sadly and unexpectedly dying a few months later, in February 2015.
