What is there to say,
another brilliant book by
Belinda Bauer, the
perfect balance of

Finders Keepers is the

hit the 2/3 mark of Finders Keepers the story went in a direction that does not work for me. The two star is a personal enjoyment ranking, not a reflection of Belinda Bauer's writing. I'll continue to seek out books by her.

Belinda Bauer's third book represents a remarkable achievement: almost a return to the good old Victorian triple-decker novel of suspense, but created with a deftness that allows each book to stand alone.
