Go! Math The state of Utah has standards for each grade level in each subject area that students are expected to achieve by the end of each year. The teachers and staff of Whittier are dedicated to ensuring all students learn the skills they need to know before moving on to the next grade level. We use these standards as a guideline for every lesson we plan and teach to your children. Our math ...

INGHAM ISD GO MATH SUPPORT - Resources to Support

Each day, there will be two activities assigned to you in the Go Math platform. The activities may include an interactive lesson, an animated math module, a game or an instructional video. All of the activities will remain open for the entire week, but they should be completed in order and should be spread out (not all completed on one day).
