This new book by religion scholar Martin Marty, released in time for the 500th Anniversary of the Protestant Reformation, shows how Martin Luther ' s insights still speak to the church today about reconciliation, repentance and the need for "a change of heart." Included are the 95 Theses of Martin Luther. "The ' one thing ' that opens these pages relates to and, in fact, is the first of ninety-five theses that were proposed five hundred years ago by Martin Luther.... Here is that first thesis, as it was voiced by that influential monk in Germany half a millennium ago: "When our Lord and Master Jesus Christ said, ' Repent ' (Matthew 4:17), he willed the entire life of believers to be one of repentance. So, simply put, this book is about ' repentance ' as a worthy theme for believers to keep in mind if and as they commemorate events of five hundred years ago, events that still shape many features of their lives." — Martin Marty "Martin Marty ' s attention to October 31, 1517, the day that Martin Luther promulgated his 95 Theses, provides valuable insights for the past, the present, and the future—why Luther ' s articulation of ' repentance ' meant so much then, why his commitment to ' justification ' has now built a bridge for Catholics and Lutherans to work with each other, and why this great event of 500 years ago might herald a hopeful future for Christian believers and all others. There is an awful lot packed readably into this one small book." — Mark Noll, Francis A. McAnaney Professor of History, University of Notre Dame "I would not dream of preparing my mind and heart for the celebration of Luther ' s role in the Reformation without finding out what Martin Marty has to say on the subject. And he says it here in this wonderful little book. The gifted historian that he is, Marty gives us much solid information. But he also writes eloquently about how best to prepare our souls for the kind of commemoration that also includes some prayers of repentance." —Richard Mouw "This pithy book offers valuable insight on how Luther ' s 95 theses have had a profound influence on the ecumenical movement, and can help Christians today understand what it means to be a member of a truly ' catholic ' church." —Kathleen Norris "Martin Marty is the most widely respected historian of Christianity in the United States today. In this little book he with clarity, compassion, and a good dose of common sense shows how Luther ' s story is meaningful today." — Rev. John O ' Malley, S.J., University Professor, Georgetown University "From one of the world ' s most preeminent scholars of religion comes a book about repentance; ...It is a gem."— James Martin, SJ

The Reformation transformed Europe, and left an indelible mark on the modern world. It began as an argument about what Christians needed to do to be saved, but rapidly engulfed society in a series of fundamental changes. This Very Short Introduction provides a lively and up-to-date guide to the process. It explains doctrinal debates in a clear and non-technical way, but is equally concerned to demonstrate the effects the Reformation had on politics, society, art, and minorities. Peter Marshall argues that the Reformation was not a solely European phenomenon, but that varieties of faith exported from Europe transformed Christianity into a truly world religion. The complex legacy of the Reformation is also assessed; its religious fervour produced remarkable stories of sanctity and heroism, and some extraordinary artistic achievements, but violence, holy war, and martyrdom were equally its products. A paradox of the Reformation - that it intensified intolerance while establishing pluralism - is one we still wrestle with today. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

Prominent Reformation historian Timothy Wengert introduces the basic components of Martin Luther's theology of the Bible and examines Luther's contributions to present-day biblical interpretation. Wengert addresses key points of debate regarding Luther's approach to the Bible that have often been misunderstood, including biblical authority, the distinction between law and gospel, the theology of the cross, and biblical ethics. He argues that Luther, when rightly understood, offers much wisdom to Christians searching for fresh approaches to the interpretation of Scripture. This brief but comprehensive overview is filled with insights on Luther's theology and its significance for contemporary debates on the Bible, particularly the New Perspective on Paul.

NEW YORK TIMES BESTSELLER • Raw, intimate, and timely—a no-holds-barred celebration of our bodies that flies in the face of antiquated ideas about sex and gender. " A triumph." —Glennon Doyle • " One of the most important, life-changing books I ' ve ever read." —Rachel Held Evans, author of Searching for Sunday and Inspired Negative messages about sex come from all corners of society: from the church, from the media, from our own families. As a result, countless people have suffered pain, guilt, and judgment. In this instant bestseller, Nadia Bolz-Weber unleashes her critical eye and her vulnerable yet hopeful soul on the harmful conversations about sex that have fed our shame. Bolz-Weber offers no simple amendments or polite compromises. Instead, this modern-day reverend calls for an inclusivity that empowers us to be loyal to people and, perhaps most important, ourselves. " Christianity is not a program for avoiding mistakes," she writes. " It is a faith of the guilty." With an alternative understanding of Scripture passages that have been weaponized against Christians for decades, Bolz-Weber reminds us that sexual flourishing can and should be for all genders, all bodies, and all humans. She shares stories, poetry, and Scripture that wage war on perpetual anxiety around sex by celebrating sexuality in all its forms and recognizing it for the gift that it is. If you ' ve been mistreated, confused, angered, and/or wounded by shaming sexual messages, this one is for you.

Mention history and some might struggle to stifle a yawn. But when presented as a narrative it can often be compelling reading. Stephen J. Nichols takes a key period in time, the Reformation, and presents its major players in a fresh way. From Martin Luther, a simple monk who wielded the mallet, to kings and queens, this book goes behind the scenes to uncover the human side of these larger-than-life Reformers. Along the way readers meet Luther, Ulrich Zwingli, John Calvin, Kings Henry VIII and Edward VI, Lady Jane Grey, Anne Bradstreet, and many others. For those wanting to see history in its context, Nichols also provides a sampling of primary source materials. It is an engaging read that will remind readers of the foundational truths that can never be taken for granted by the church in any age. Includes numerous illustrations.

This is an upper-level introduction to the German Reformer Martin Luther, who by his thought and action started the Reformation movement. Martin Luther was one of the most influential and important figures of the second millennium. His break with Rome and the development of separate Evangelical churches affected not just the religious life of Europe but also social and political landscapes as well. More books have been written about Luther than nearly any other historical figure. Despite all these books, Luther remains an enigmatic figure. This book proposes to examine a number of key moments in Luther's life and fundamental theological positions that remain perplexing to most students. This book will also present an introduction to the primary sources available to a student and important secondary works that ought to be consulted. The Guides for the Perplexed series are clear, concise and accessible introductions to thinkers, writers and subjects that students and readers can find especially challenging - or indeed downright bewildering. Concentrating specifically on what it is that makes the subject difficult to grasp, these books explain and explore key themes and ideas, guiding the reader towards a thorough understanding of demanding material.

Imagine. . . Witnessing the destruction of Pompeii. . . Accompanying Julius Caesar on his invasion of Britain. . . Flying with the crew of The Great Artiste en route to dropping the atomic bomb on Nagasaki. . . Civilization's most momentous events come vibrantly alive in this magnificent collection of over three hundred eyewitness accounts spanning twenty-four turbulent centuries -- remarkable recollections of battles, atrocities, disasters, coronations, assassinations and discoveries that shaped the course of history, all related in vivid detail by observers on the scene.
