Grounded from start to finish in Scripture, Johnson and Clark lay out the rich theological and historical foundation for healing in the church today. Full of inspiring stories, this book offers practical, proven, step-by-step guidance to ministering healing, including how to • understand the authority of the believer in healing • create an atmosphere of faith • receive words of knowledge • implement the five-step model of healing prayer The ministry of healing is not reserved for a select few. God's miraculous healing is part of the Good News--and every believer can become a conduit for his healing power.

Available for the first time in paperback, one of the last books written by revered late pastor Adrian Rogers is also one of his best-selling, a bold yet approachable guide to the ABCs of Christianity that Publishers Weekly calls, " (a) beautifully simple primer on essential truths. " What Every Christian Ought to Know provides readers with a well-organized, well-reasoned grasp of such topics as salvation, eternal security, prayer, the Holy Spirit, resisting temptation, finding God's will, as well as the authority of the Bible and how to understand it better. A valuable volume for new Christians and young disciples, it's also a suitably instructive resource for believers of all ages. This new edition includes an introduction from Steve Rogers, president of the Adrian Rogers Pastor Training Institute, plus discussion questions for personal reflection or group study.

"This book is a faith builder. It challenges every believer to walk in supernatural signs and wonders as a natural part of everyday life." -John Arnott; Anyone can walk in the miraculous--even you! If you've ever wanted to live and walk in the supernatural power of God, here's your chance! It is truly possible for human people to walk in the divine, and Christ came to show us the way. It is by rediscovering our true identity in Him that we can begin to move into the promises of God regarding the miraculous. Bill Johnson not only teaches the supernatural, he imparts it by changing the way we think. If you are not walking in the miraculous, you're living far below your birthright! By laying a carefully constructed biblical foundation for walking in the supernatural power of God, When Heaven Invades Earth provides all the equipment you need to experience miracles every day.

This expanded edition of Bill Johnson's popular book has questions for reflection and a prayer at the end of each chapter. This new material will encourage the reader to take what he has read and apply it in his own life. Bill Johnson pastors a church where supernatural encounters with God happen regularly, miracles are common, and the congregation has an infectious passion for spiritual growth. How does he do it? It's simple—he makes experiencing a deep, intimate relationship with God a priority for himself and the rest of his congregation. In Face to Face With God Bill Johnson helps you pursue God for greater measures of His presence in your own life, sharing the principles he has learned as well as real-life stories from his church and ministry. You will learn: How to "set up an ambush" for God rather than just waiting on God What it means to enter "the favor of His face" and how it changes history How to deal with distractions that enter the mind during prayer/meditation time The reward of keeping your eyes on the "Blessor" while reaching for His blessings What happens when God speaks directly as a result of obedience How to move beyond the spiritual plateaus to ride the coming wave of revival

You know the battle is raging--but are you fighting the right enemy? Just as enemies fought Joshua in the Promised Land, and Nehemiah faced opposition as he rebuilt the walls of Jerusalem, our enemy will fight us as we approach the spiritual terrain God has promised us. Most Christians retreat at the first sign of conflict because they fail to recognize the true nature of the battle. But you can prevail in freedom and joy. Sharing his deeply personal story of demonic bondage, torment and ultimate deliverance, pastor and bestselling author Kris Vallotton turns the idea of spiritual warfare as we know it on its head. He reveals the diabolical lies and strategies of the enemy--attacks and traps so subtle and deceptive that we may find our souls and hearts imprisoned without even knowing it. No more! Now you can win the invisible battle against sin and the enemy. Victory is within your grasp. Will you take hold? "It is with great excitement that I recommend this book to you, knowing that fruit will increase until Jesus gets His full reward."--Bill Johnson, author, When Heaven Invades Earth and The Essential Guide to Healing, senior pastor, Bethel Church, Redding, California

The internationally recognized Bible teacher and daughter of Billy Graham unpacks key biblical truths wrapped in personal insights to reveal how the presence of the Holy Spirit shapes the daily life of a follower of Jesus.
