To write a five year plan, come up with some goals that are as specific as possible, which will make them easier to track. For example, instead of saying "I want to be making more money," you could say "I want my salary to increase by 15 percent." Once you've made a list of goals, write out a plan for achieving each one.

Look ahead five years and envision what your business will look like. This strategic vision will determine much of what follows, because your plan basically states how you'll get from your current state to that end goal. As you write the rest of the business plan, keep the distance between your business today and your desired future in mind, and be prepared to show the step-by-step path that ...
