Market-defining since it was first introduced, International Business 9e by Charles W. L. Hill, continues to set the standard for international business textbooks. In writing the book, Charles Hill draws on his experience in teaching, writing, and global consulting to create the most thorough, up-to-date, and thought-provoking text on the market. Many issues in international business are complex, so, the text explores the pros and cons of economic theories, government policies, business strategies, organizational structures, etc. Hill ' s: International Business is known for its strong emphasis on strategy and for maintaining a tightly integrated flow between chapters. Hill ' s book is practical in nature and focuses on the managerial implications of each topic on the actual practice of international business. The author ' s passion and enthusiasm for the international business arena is apparent on every page as he strives to make important theories interesting, informative, and accessible to all students.

This volume addresses the strategic, structural and functional implications of international business in firms around the world. This is exhibited through a critical, integrated flow from chapter to chapter

Charles Hill ' s Global Business Today, 4e (GBT) has become an established text in the International Business market for its excellent but concise coverage of the key global issues including the cultural context for global business, cross-border trade and investment, the global monetary system and competition in the global environment. GBT ' s concise chapters give a general introduction to international business - emphasizing the environmental factors, with less coverage of operations. Charles Hill is renowned for his attention to research trends and that is evident in Global Business Today, 4e through a variety of real world examples and cases from small, medium, and large companies throughout the world

- Binder Ready Loose-Leaf Text (0077437608) - This full featured text is provided as an option to the price sensitive student. It is a full 4 color text that 's three whole punched and made available at a discount to students. Also available in a package with Connect Plus (0077437527).

Global Business Today is the proven choice for any international business course. It brings together the insights of now a team of practitioners, scholars, and award-winning instructors to present a contemporary and realistic perspective of this multi-faceted field. For the 9th edition, G. Tomas M. Hult from Michigan State University has joined Charles Hill to deliver a program that is: Current—it is comprehensive and up-to-date. Application Rich—it goes beyond an uncritical presentation and shallow explanation of the body of knowledge. Relevant—it focuses on managerial implications. Integrated—its tight flow between chapters is fully integrated with proven adaptive technology. Global Business Today—The market-leading program of international business.

For introductory International Business courses with the need for a brief, accessible text. International Business 4/e places culture and globalization front and center to motivate and enable students to grasp difficult conceptual material. This approach has made it the fastest growing international business book available today.

This book demonstrates how the theories and insights of anthropology have positively influenced the conduct of global business and commerce, providing a foundation for understanding the impact of culture on global business, and global business on culture.

Provides an understanding about the impact of culture and communication on international business negotiations. This work explores the problems faced by Western managers while doing business abroad and offers guidelines for international business negotiations. It also focuses on an important aspect of international business: negotiations.
