9780133356717: Machine  
Design - AbeBooks - Norton,  
Robert ...

Robert Norton's Machine  
Design is a book that has  
many good pieces of  
information. The early  
chapters in the book deal  
with the basics in load  
analysis, basically a review  
of solid mechanics (I highly  
recommend Hibbeler's book  
Mechanics of Materials 8th  
edition if you want a book  
on solid mechanics alone).
