Ravelstein is Saul Bellow's final novel. Published in 2000, when Bellow was eighty-five years old, it received widespread critical acclaim.

It tells the tale of a friendship between a university professor and a writer, and the complications that animate

Ravelstein - Wikipedia
Ravelstein is a compelling hero - a big, lumbering, intellectual gay powerhouse of a man, admired by all, rich from his intellect, a great friend and flawed beyond even Bellow's description. But it is 'Chick' (Bellow) who is the real protagonist of Ravelstein. Both men face death, one succumbs, the other, overcomes.

"Ravelstein" (2000) is a novel-memoir of the friendship between Allan Bloom and the author, Saul Bellow. In addition to exploring the friendship of the two men, the book's primary themes, to me, are the nature of love and the necessity of facing death, one's own and those dear to one.

ami Chick, le narrateur, lui a suggéré d'exposer sa philosophie politique dans un livre destiné au grand public. A sa propre surprise, Ravelstein s'exécute et devient millionnaire. Durant un séjour à Paris destiné à célébrer ce succès, il incite Chick à écrire un livre sur lui et tous deux échangent des pensées sur la mort, la philosophie et l'histoire, les amours et les amis, et des anecdotes du passé. A leur retour dans le Midwest, Ravelstein succombe au sida tandis que Chick frôle la mort de peu. Le dernier roman de Saul Bellow est un voyage, tantôt

In *More Die of Heartbreak*, our erratic narrator explains to his audience that he must abandon Paris for the Midwest. Of course, Kenneth merely wants to be closer to his beloved uncle,

the world-famous botanist Benn Crader, to receive the older man's worldly wisdom. The mercurial Benn, however, struggles to put down roots himself, constantly departing for the forests of India, the mountains of China, the jungles of Brazil, or even the Antarctic. Why does he travel so much? Submerging himself in botanical studies seem insufficient, and he hunts relentlessly for more carnal satisfaction. More Die of Heartbreak has all the humor of a French farce, and all the brooding darkness of a Hitchcock film. From this tragicomedy Bellow unravels a brilliant

and sinister examination of contemporary sexuality, asking why even the most noble pursuits often end in mundane disillusionment.

“The work of a great master still locked in unequal combat with Eros and Time.”
—The New York Times Book Review A Penguin Classic In this dazzling work of fiction, Nobel Laureate Saul Bellow writes comically and wisely about the tenacious claims of first love. Harry Trellman, an aging, astute businessman, has never belonged anywhere and is as awkward in his human attachments as he is gifted in observing the people

around him. But Harry's observational talents have not gone unnoticed by "trillionaire" Sigmund Adletsky, who retains Harry as his advisor. Soon the old man discovers Harry's intense forty-year passion for a twice-divorced interior designer, Amy Wustrin. At the exhumation and reburial of her husband, Harry is provided, thanks to Sigmund, perhaps the final means for disclosing feelings amassed over a lifetime. Written late in Bellow's career, *The Actual* is a maestro's dissection of the affairs of the heart. This Penguin Classics edition contains an
