livelihoods frameworks for rural livelihood analysis consider, with examples, the effects of interactions of change among peasant livelihoods within the rural economy and markets.

## Unit 1: Rural Livelihoods: Importance and Definitions

In global terms, poverty is predominantly a rural phenomenon (as noted earlier although there are large and increasing numbers of urban poor people, a greater proportion of poor people in the world live in rural areas and poverty tends to be more severe in rural areas). Many of the rural poor depend directly or indirectly upon peasant livelihoods.

National Rural Livelihood Mission is a poverty alleviation project implemented by Ministry of Rural Development, Government of India. This scheme is focused on promoting self-employment and organization of rural poor. The basic idea behind this programme is to organize the poor into SHG groups and make them capable for self-employment. In 1999 after restructuring Integrated Rural Development Programme, Ministry of Rural Development launched Swarnajayanti Grameen Swarojgar Yojana to focus on prom
