Textbook of Adult Emergency Medicine - 5th Edition (August ...

ISBN 0-443-06280-3. This is a major new textbook of emergency medicine first published in 2000. The contributors read like a "Who's who" of emergency medicine in Australasia—with a few contributions from North America and UK. The book is primarily aimed at the emergency medicine trainee—although the wide authorship has allowed the text to become a "snap shot" of current Australasian emergency medicine practice.
