Great book 5 a lot is on the line when Sasha & Stefan have to see the council. Full off deceit, so many want a piece of her. Stefan will face his biggest fear, to lose Sasha. You have to find out when you read the book.

The Council (Darkness #5) eBook: Breene, K.F.: Amazon.co ...

The Council is book five in this series and honestly it is my favourite one so far. This book contained huge amounts of action and the stakes have never been higher for Sasha and her group of friends. I couldn't put this story down as I was sucked in and held my breath multiple times wondering how our heroes would get out of this one.

The Council is the fifth book in The Darkness series and I think it's my favorite so far. Sasha, Stefan, Charles, Jonas and the shifters travel to the Council to have Sasha's black mage status verified. The shifters are there to form an alliance with the Council, but of course everyone is suspicious of the Council's ulterior motives.

Since the 4th of July 2020, the Government has allowed public worship to resume. New regulations came into force on 14 th of September 2020 limiting gatherings to no more than six people. Places of worship, alongside other COVID-secure premises, are exempt, meaning that the number of people able to attend services depends on how many can safely be accommodated, observing appropriate physical ...

With Sasha as the proclaimed Mage of high ranking power, she can't just slip under the carpet to a peaceful existence. Instead, she must present herself to the Council, a group of white mages who reside over the magical community, governing Stefan's people. There she must prove she has what it takes to be the mage of Stefan's clan, not something easily done. Stefan, too, has been noticed by the large faction of rulers. An alpha leader with a firm hold over his people, he has outgrown in his position, and it shows. Ties to a human mage with a vast well of power, though, has made him a target. Sasha is sought after, and those who want to harness her power will take her by force if necessary. With Dominicus' and Tod's help, Sasha and Stefan must face the trials coming up. Proving themselves is the easy part. Getting out with their lives becomes the challenge.

I'd always been different. I saw objects in the night where others saw emptiness. Large, human shaped shadows, fierce yet beautiful, melting into the darkness. I collected secrets like other women collected bells; afraid to fully trust lest my oddities be exposed. Until I saw him. He'd been gliding down the street, unshakable confidence in every step. It wasn't just that he was breathtakingly handsome with perfect features. Something about him drew me. Sucked my focus to him and then tugged at my body. As his eyes met mine, I was entrapped. No one had noticed him. He'd been right there, just beyond the light, but only I had perceived. I had to know if he was real. Or maybe I really was crazy. And even when my secret box was blasted wide open, dangers hurled at me like throwing knives, I couldn't stop until I unraveled his true identity. I just had to know.

Jonas isn't the kind of guy to submit to the expectations of others, even when his life is on the line. So when he wakes up in the cell of a dungeon with torture devices hanging on the wall, he can only think one thing: this should be fun. What he didn't expect, however, is the beautiful but broken female pitting herself against his resolve. For once, the pain of his past is shallow in comparison to another, and he wants nothing more than to extinguish her pain. When Sasha realizes one of her own has been taken, the gloves come off. Using her ever-expanding resources of both human and non-human magic workers, she sets out to battle the most advanced, most experienced magic worker in the world. Regardless of being completely outmatched, Sasha and Stefan rush to Jonas' aid.

In the wake of ridding their territory of a menace, Sasha has only one pressing duty left: find more human magic workers. And while it is undoubtedly important on some grand scale, the task is, in itself, surprisingly uneventful. That is, until a strange predator takes an interest in her and Charles on their trek home one evening. In the space of twenty-four hours Sasha's life goes from mundane to being stalked and threatened. A new shifter has moved into town, and if the whispered rumors are to be believed, something even more sinister is lurking behind, watching and waiting for the right moment to spring. But that isn't the only element that turns Sasha's life upside down. She has one hell of a secret that will change her and Stefan's life forever.

Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, The Fountainhead and Atlas Shrugged. Publisher's Weekly acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.

It's been a long road, but Sasha has finally claimed her role as the least knowledge mage in history. She's also acquired a new, incredibly grumpy bodyguard, and a spunky new BFF. With her team by her side, she learns the ropes of this new profession.Her experience level is about to be fast-tracked, however.On a routine trip to check out a perimeter breach, she encounters a hideous demon called by an experienced magic worker. It is this terrifying discovery that unlocks a deeper problem: Stefan's troubled past and the reason he gravely mistrusts the Mata.While Sasha struggles to fight the physical demons, Stefan struggles to fight the demons of his past. If he fails, his future in Sasha will be lost.

"I loved the darkness, but I also craved the light. The night called to my magic, the day to my spirit." * * * Sasha has always known she was different, but now she also knows that the shadow men she's seen all her life, are real. With a life goal of fitting in, Sasha hopes her strange abilities will finally make true friendship a possibility. Unfortunately, her magic doesn't function like everyone else's. What she thought would make her belong, sets her apart now more than ever. Stefan, all but promised to a different woman, has tried to keep his mind on his duties instead of the irresistible and free-spirited human. But when she is threatened, he can't keep his distance anymore. He'll stop at nothing to keep her safe, and more importantly, make her his. Just when one thing clicks into place, another spirals out of control. Stefan's clan isn't the only group that would benefit from an extremely rare type of magic. And their enemies will stop at nothing to get what they want.

Nothing comes easy for Darian. Her heightened powers make her indispensable to the Shaede Nation, but dangerous missions have driven her lover, Tyler, to his breaking point. Darian must salvage their bond, but a new assignment to protect Anya—a fellow Shaede and the first of their kind to become pregnant in centuries—stands in the way. It doesn't help that the two Shaedes are longtime rivals and share nothing besides mutual hatred. But when it becomes clear that someone—or something—is bent on destroying the expectant mother and her unborn child, Darian must put her feelings aside and track down Anya's would-be assassin. As she probes into Anya's past, Darian digs up long-buried secrets—and a startling connection between Tyler and the mission that could destroy everything between them....

Atlanta: it's the promised city for the off-worlders, foreigners from the alternate dimensions of heaven-like Elysia and hell-like Charbydon. Some bring good works and miracles. And some bring unimaginable evil.... Charlie Madigan is a divorced mother of one, and a kick-ass cop trained to take down the toughest human and off-world criminals. She's recently returned from the dead after a brutal attack, an unexplained revival that has left her plagued by ruthless nightmares and random outbursts of strength that make doing her job for Atlanta P.D.'s Integration Task Force even harder. Since the Revelation, the criminal element in Underground Atlanta has grown, leaving Charlie and her partner Hank to keep the chaos to a dull roar. But now an insidious new danger is descending on her city with terrifying speed, threatening innocent lives: a deadly, off-world narcotic known as ash. Charlie is determined to uncover the source of ash before it targets another victim -- but can she protect those she loves from a force more powerful than heaven and hell combined?

Given the chance to train as a squire, kitchen servant Achan Cham hopes to pull himself out of his pitiful life and become a Kingsguard Knight. When Achan's owner learns of his training, he forces Achan to spar with the Crown Prince--more of a death sentence than an honor. Meanwhile, strange voices in Achan's head cause him to fear he's going mad. While escorting the prince to a council presentation, their convoy is attacked. Achan is wounded and arrested, but escapes from prison--only to discover a secret about himself he never believed possible.
