The Next Best Thing by Jennifer Weiner - Goodreads

Add in an unrequited crush on the man who has been her mentor. Add to that her grandmother's impending nuptials, and Ruth's big break might just break her. A rollicking ride on the Hollywood roller coaster, *The Next Best Thing* is a heartfelt story about a young woman searching for her own happily-ever-after in the land where dreams come true.

...

Lazily directed by Oscar-winner John Schlesinger (Midnight Cowboy) with an eye towards his actors' muscle tone rather than characterisations (even the kid does yoga), the faults in The Next Best Thing aren't solely on the shoulders of its miscast stars, but rather the painfully inept screenplay by Tom Ropelewski (Look Who's Talking Now). With cardboard dialogue that sounds like bad first-draft material--including wailing by Madonna about how she can't find a man (ha!) and a gym-buffed ...

Blockbuster #1 New York Times bestselling author Jennifer Weiner returns with an irresistible story about a young woman trying to make it in Hollywood... Actors aren't the only ones trying to make it in Hollywood...At twenty-three, Ruth Saunders left her childhood home in Massachusetts and headed west with her seventy-year-old grandma in tow, hoping to make it as a screenwriter. Six years later, she hits the jackpot when she gets *The Call*: the sitcom she wrote, *The Next Best Thing*, has gotten the green light, and Ruthie's going to be the showrunner. But her dreams of Hollywood happiness are threatened by demanding actors, number-crunching executives, an unrequited crush on her boss, and her grandmother's impending nuptials. Set against the fascinating backdrop of Los Angeles show business culture, with an insider's ear for writer's room showdowns and an eye for bad backstage behavior and set politics, Jennifer Weiner's new novel is a rollicking ride on the Hollywood roller coaster, a heartfelt story about what it's like for a young woman to love, and lose, in the land where dreams come true.

Believing she is realizing her dreams when her sitcom is bought, television writer Ruth Saunders finds her happiness threatened by demanding actors and executives as well as an unrequited crush on her boss and her septuagenarian grandmother's upcoming wedding. 500,000 first printing.

wanted to be famous. The smart, sharp, plus-sized reporter was perfectly happy writing about other people's lives for her local newspaper. And for the past twenty-eight years, things have been tripping along nicely for Cannie. Sure, her mother has come charging out of the closet, and her father has long since dropped out of her world. But she loves her job, her friends, her dog and her life. She loves her apartment and her commodious, quilt-lined bed. She has made a tenuous peace with her body and she even felt okay about ending her relationship with her boyfriend Bruce. But now this... 'Loving a larger woman is an act of courage in our world,' Bruce has written in a national woman's magazine. And Cannie - who never knew that Bruce saw her as a larger woman, or thought that loving her was an act of courage - is plunged into misery, and the most amazing year of her life.

From Jennifer Weiner, the #1 New York Times bestselling author of *Who Do You Love* and *In Her Shoes* comes a smart, thoughtful, and timely exploration of two sisters' lives from the 1950s to the present as they struggle to find their places—and be true to themselves—in a rapidly evolving world. Mrs. Everything is an ambitious, richly textured journey through history—and herstory—as these two sisters navigate a changing America over the course of their lives. Do we change or does the world change us? Jo and Bethie

Bookmark File PDF The Next Best Thing Jennifer Weiner

Kaufman were born into a world full of promise. Growing up in 1950s Detroit, they live in a perfect "Dick and Jane" house, where their roles in the family are clearly defined. Jo is the tomboy, the bookish rebel with a passion to make the world more fair; Bethie is the pretty, feminine good girl, a would-be star who enjoys the power her beauty confers and dreams of a traditional life. But the truth ends up looking different from what the girls imagined. Jo and Bethie survive traumas and tragedies. As their lives unfold against the background of free love and Vietnam, Woodstock and women's lib, Bethie becomes an adventure-loving wild child who dives headlong into the counterculture and is up for anything (except settling down). Meanwhile, Jo becomes a proper young mother in Connecticut, a witness to the changing world instead of a participant. Neither woman inhabits the world she dreams of, nor has a life that feels authentic or brings her joy. Is it too late for the women to finally stake a claim on happily ever after? In her most ambitious novel yet, Jennifer Weiner tells a story of two sisters who, with their different dreams and different paths, offer answers to the question: How should a woman be in the world?

a demanding daughter, and a marriage. But when the website she develops takes off, she finds herself challenged to the point of being completely overwhelmed. Her husband's becoming distant, her daughter's acting spoiled, her father is dealing with early Alzheimer's, and her mother's barely dealing at all. As she struggles to hold her home and work life together, and meet all of the needs of the people around her, Allison finds that the painkillers she was prescribed for a back injury help her deal with more than just physical discomfort. However, when Allison's use gets to the point that she can no longer control or hide it, she ends up in a world she never thought she'd experience outside of a movie theater: rehab. Amid the teenage heroin addicts, the alcoholic grandmothers, the barely-trained "recovery coaches," and the counselors who seem to believe that one mode of recovery fits all, Allison struggles to get her life back on track, even as she's convincing herself that she's not as bad off as the women around her.

AN INSTANT NEW YORK TIMES BESTSELLER "Sexy and satisfying, Big Summer is the perfect quarantine read." -USA TODAY "The beach read to end all beach reads." -Entertainment Weekly "Big fun, and then some. It's empowering and surprising—a reminder to put down the phone and enjoy each moment for what it is." -The Washington Post A deliciously funny, remarkably poignant, and simply

unputdownable novel about the power of friendship, the lure of frenemies, and the importance of making peace with yourself through all life's ups and downs. From the #1 New York Times bestselling author of *Good in Bed* and *Best Friends Forever*, *Big Summer* is the perfect escape with one of the most lovable heroines to come to the page in years. Six years after the fight that ended their friendship, Daphne Berg is shocked when Drue Cavanaugh walks back into her life, looking as lovely and successful as ever, with a massive favor to ask. Daphne hasn't spoken one word to Drue in all this time—she doesn't even hate-follow her ex-best friend on social media—so when Drue asks if she will be her maid-of-honor at the society wedding of the summer, Daphne is rightfully speechless. Drue was always the one who had everything—except the ability to hold onto friends. Meanwhile, Daphne's no longer the same self-effacing sidekick she was back in high school. She's built a life that she loves, including a growing career as a plus-size Instagram influencer. Letting glamorous, seductive Drue back into her life is risky, but it comes with an invitation to spend a weekend in a waterfront Cape Cod mansion. When Drue begs and pleads and dangles the prospect of cute single guys, Daphne finds herself powerless as ever to resist her friend's siren song. A sparkling novel about the complexities of female relationships, the pitfalls of living out loud and online, and

the resilience of the human heart, *Big Summer* is a witty, moving story about family, friendship, and figuring out what matters most.

From the "hilarious, heartbreaking, and insightful" (The Miami Herald) bestselling author Jennifer Weiner comes a sweeping, modern day fairy tale about first romance and lasting love. Rachel Blum and Andy Landis are eight years old when they meet late one night in an ER waiting room. Born with a congenital heart defect, Rachel is a veteran of hospitals, and she's intrigued by the boy who shows up all alone with a broken arm. He tells her his name. She tells him a story. After Andy's taken back to the emergency room and Rachel's sent back to her bed, they think they'll never see each other again. Rachel, the beloved, popular, and protected daughter of two doting parents, grows up wanting for nothing in a fancy Florida suburb. Andy grows up poor in Philadelphia with a single mom and a rare talent that will let him become one of the best runners of his generation. Over the course of three decades, through high school and college, marriages and divorces, from the pinnacles of victory and the heartbreak of defeat, Andy and Rachel will find each other again and again, until they are finally given a chance to decide whether love can surmount difference and distance and if they've been running toward each other all along. With honesty, wit, and clear-eyed observations

about men and women, love and fate, and the truth about happy endings, Jennifer Weiner delivers two of her most memorable characters, and a love story you'll never forget.

Cannie Shapiro returns in the acclaimed novel from the author of *Good in Bed*, *All Fall Down* and the forthcoming *Who Do You Love!* It's been almost thirteen years since we last saw Cannie Shapiro, the heroine of *Good in Bed*, whose journey towards happy-ever-after made millions of women the world over laugh, cry and recognise themselves. The last decade of Cannie's life has brought some surprises. Her life story, in fictional form, became an unexpected bestseller, and Cannie has since retreated from fame's fallout, writing science-fiction under a pen name and praying that all her daughter inherited from her father, Cannie's ex-boyfriend Bruce Guberman, are her curls and her eye-colour, and not his predilection for smoking pot. Meanwhile Cannie's best friend, Samantha, is looking for love in all the wrong places, and Cannie's husband, Peter, has decided that he'd like to have a baby, and the family's first choice for a surrogate is none other than Cannie's flamboyant kid sister ...
