Focus on eating whole foods – plenty of vegetables, grains, legumes, starches, fruits, nuts, and seeds. Also, it's important to eat different foods to give your body full range of vitamins, minerals, and antioxidants. If you don't have a place to get a healthy vegan food at your workplace, do a meal prep the evening before going to work.

Cooking Light

Well, as for the vegan diet, the answer is simple: we say no to meat or any animal products such as milk, cheese, eggs, or honey. The thing is that by cutting out all these former staples, most people might end up with something like this on their plate. This is a vegan sandwich indeed, but not really one you'd be looking forward to eat.
